

**PE DAYS: WEATHER DEPENDENT! PE kits needed each day just in case. CHILDREN ALSO NEED AN OUTDOOR KIT.**

## Research Project/ Topics

World War II

**THIS YEAR OUR CHRISTIAN VALUE IS PEACE**

RE: Life as a Journey,  
How do Christians prepare for Christmas?

### Topic

Our new topic will see us travelling back in time to learn about the events that led to the outbreak of World War II, what life was like during the war and the key events throughout. We will examine when, where and why children were evacuated, rationing, the holocaust and the significance of the role of women during the war.

### Literacy

Punctuation & handwriting skills, improving sentence structure, grammar & spelling.

Star of Hope, Star of Fear- flashback story and information text.

Can we Save the Tiger?- hybrid text- information and explanation.

**Reading books & records are needed in school each day.**

### Other subjects:

Science: Light, Living things and their habitats

PSHE: New Beginnings

Art: Skills, Blitz paintings

Computing: Online safety, My online life

PE: Sports coach

Music: Mr Whiteman

## Year 6 Information until Christmas

### Homework

Spellings: sent home on a Friday to be tested the following Friday.

Mental maths: Times tables, division facts & number bonds should be practised regularly. I can't stress enough how important it is that children can recall these facts confidently.

The children will make a note of any homework that is set in their Homework Diary, this will also contain the date for expected completion.

Mathletics: Children can use this at any time. Homework will also be set.

Reading: Children are heard read as often as possible in school but should read at home daily. Please encourage your child to read for at least 15 minutes, 5 times per week.

### Maths

Place value, mental and written methods for addition & subtraction, mental and written methods for multiplication and division, problem solving and reasoning.

We will continue competing against ourselves in a weekly times table timed challenge. Help your child by asking them questions based on their times tables.
