

**PE DAYS: WEATHER DEPENDENT! PE kits needed each day just in case. CHILDREN ALSO NEED AN OUTDOOR KIT.**

### Research Project/ Topics

The First World War

**THIS YEAR OUR CHRISTIAN VALUE IS PEACE**

RE: How do Christians prepare for Christmas?

### Topic

Our new topic will see us travelling back in time to about the events that led to the outbreak of the First World War. We will explore what life was like for those in the trenches, World War I poetry and the importance of Remembrance Day.

### Other subjects:

Science: Living things and their habitats

PSHE: New Beginnings

Art: Skills, Zentangle Patterns

Computing: My online life

PE: Sports coach

Music: Mr Whiteman

## Year 6 Information until Christmas

### Literacy

Punctuation & handwriting skills, improving sentence structure, grammar & spelling.

Can we Save the Tiger?- hybrid text- information and explanation.

**Reading books & records are needed in school each day.**

Spellings: sent home on a Friday to be tested the following Friday.

Mental maths: Times tables, division facts & number bonds should be practised regularly. I can't stress enough how important it is that children can recall these facts confidently.

The children will make a note of any homework that is set in their Homework Diary, this will also contain the date for expected completion.

Mathletics: Children can use this at any time. Homework will also be set.

Reading: Children are heard read as often as possible in school but should read at home daily. Please encourage your child to read for at least 15 minutes, 5 times per week. Bug Club is a great way to encourage this!

### Maths

Common factors, common multiples, prime, squared and cubed numbers, order of operations, mental calculations, fractions, problem solving and reasoning.

We will continue competing against ourselves in a weekly times table timed challenge. Help your child by asking them questions based on their times tables.
